Oh
Oh love
LOVE
oh love oh lovely love
Ohhh
Ohhhhh
How I love it
Oh it is so wonderful to love
To love love
Love love love
Oh oh oh
How I love it
Oh won’t you love me so completely
To completion
Please
Oh please
Oh my love please
Oh my love please love me
Please love me all night
All night long
Love me
Love me hard
As hard as you can
Love me
Even harder than that
Oh love me
Please I can take it
Really as hard as you can
Oh really
Oh love
Ohhhhhh ohhhhhh
Even harder
Twist my wrist

Punch my face
Kick my face
Punch my face
Fuck me with a knife
Fuck me with a gun
Fuck me with a knife and a gun in the ass
Shoot the gun
Shoot my ass
With the gun
Cut off my head
Fuck the neck hole

Violets are red
Roses are long

Be my Valentine
The day is short
